

PROCEEDINGS OF THE TENTH MEETING OF THE SENATE, HELD IN THE LECTURE HALL OF THE MAHARAJA'S COLLEGE, MYSORE, ON SATURDAY THE 22ND MARCH 1919 AT 1 P.M.

PRESENT.

Rajamantrapravina H. V., Nanjundayya, Esq., M.A., M.L., C.I.E.

Vice-Chancellor and Chairman.

L.C.E. | 8. " S. G. Forbes, B.Sc., E. & M.E.,
MEM., A.I.E.E. |
| 4. Dr. Radhakumud Mookerji, M.A.,
PH.D. | 9. " P. Raghavendra Rao, B.A., B.L. |
| 5. Mr. Mir. Humza Hussein, B.A., B.L. | 10. Dr. H. E. Watson, D.Sc., A.I.C. |
| | 11. " K. Chandy, B.A. |
| | 12. Mr. C. S. Balasundaram Iyer, B.A. |
| | 13. " K. Matthan, B.A. |

In the absence of Mr. S. R. Balakrishna Rao, who attended the meeting later, Mr. M. Venkatakrishnayya put the following questions:—

Question (1). Will the Vice-Chancellor be pleased to lay on the table of the House a statement showing the number and substance of Resolutions sent up to Government which were not approved during the year 1918, and the reasons, if any, assigned by Government for withholding their approval?

Answer—A statement was read by the Registrar and laid on the table (*vide* Appendix A).

Question (2). Is the Vice-Chancellor aware that there is no graduate in English to lecture in English in the Shimoga Collegiate School and that the teaching of English is being done by History or Philosophy Graduates for over three years past? If so, has the University made any arrangements to remedy this defect?

Answer—The Entrance class was started in 1917 and not in 1916. A Philosophy Honours man was appointed as Lecturer in English and Logic in July 1917. In 1917-18 the Headmaster, who took a first class in History and a good second class in English, did more than half the English work of the Entrance class. In 1918-19 the Government sanctioned a post on Rs. 75-10-125 for appointing a graduate with English Honours. The post was offered to one such in December last, but was declined. Attempts are being made to remedy the defect.

II. The following questions by Mr. M. T. Naraniengar were next answered.

Question 1. Ordinance 73 requires that "Credit shall be given for regular work and progress during the years of study at the University." What effect is proposed to be given to this Ordinance and how in the case of the B.A. candidates?

Answer—The question is before the Senate to-day. The member's attention is invited to Proposition No. XVIII of the Agenda. The answer will depend upon the resolution to be passed by the Senate.

Question 2. Ordinance 15 refers to "Professors of the subjects relating to the Faculty and such Assistant Professors as are in full charge of such subjects." Will the Vice-Chancellor be pleased to furnish an analysis according to subjects of the present Faculty in Science?

Answer—It is intended to call for information on the subject from both the Colleges and prepare an authoritative list for each Faculty. The list will be supplied for the information of the member as soon as ready.

III. That the Budget of the University for 1919-20 as proposed by the Council be approved.—

Mr. Thos. Denham moved the proposition. He drew attention to the increased expenditure proposed for the coming year and explained in detail the several items which contributed to swell the expenditure, such as the Maharani's College, University Union, the Scheme of Physical Culture passed by the Senate and approved by Government, non-examination subjects such as music and elocution. He also suggested that on account of the postponement of the starting of the Agricultural College and the specialised class in Electrical Engineering to the year 1920-21, provision made in the budget under the respective heads might be reduced by Rs. 50,000 and Rs. 5,580, respectively, although the remaining provision was required for the purpose of acquiring lands, etc., for the Agricultural College and the employment of a full-time Professor of Electrical Engineering whose services were required for lecturing and other purposes during 1919-20. He then moved the House to accept the budget which had been carefully considered and scrutinised by the Council beforehand.

Mr. M. Venkatakrishnayya seconded.

Dr. H. B. Mylvaganam read a long note criticising in detail the budget. He took objection to the provision proposed for the Agricultural College on the ground that the Medical Faculty, the starting of which had been approved by the Senate long before the Engineering and Commerce Courses were instituted, had not become an accomplished fact, the necessity not being recognised by the University and the Government.

Parts of the speech were ruled out of order by the Vice-Chancellor as being irrelevant.

Mr. M. Basava Iya invited the attention of the Senate to the fact that the expenditure of the University had risen from 7 lakhs to 11. He considered that it was not worth while spending such a huge sum for the education of about 450 (?) students belonging mostly to a particular community, while that amount would suffice to educate all the students in Primary and Higher Education in the State. He said that it was necessary that the general policy of the University should be reviewed in view of such fact.

The Vice-Chancellor called the attention of the member to the fact that he (Mr. Basava Iya) should consider the budget in his capacity as a Senator and that other things might be left to Government.

Mr. R. H. Campbell moved that the budget with the omissions pointed out by Mr. Thos. Denham be passed and said that no further discussion was necessary.

Mr. C. R. Reddy then proposed that a reduction of Rs. 50,000 out of Rs. 1,00,000 proposed for the Agricultural College be made. The Rev. A. R. Fuller seconded.

Passed.

Mr. V. Rangaswamy Iyengar proposed that the pay of the Fitter Instructor, the Carpentry and Foundry Instructors in the Engineering College be raised to Rs. 100 or 150 per mensem if competent and full-time men were necessary. Mr. S. Cadambi seconded.

Fourteen votes were recorded in favour and 15 against.

Lost.

Mr. E. G. McAlpine proposed that the provision under University Training Corps be omitted. Dr. H. B. Mylvaganam seconded. Sir Leslie Miller was of opinion that items should not appear in the budget unless there was a reasonable prospect of their being spent.

For deleting, 21 against 19.

Resolved that the provision be omitted.

Mr. N. S. Subba Rao proposed that the provision under Social Weeks be omitted.

Mr. M. T. Naraniengar seconded.

Passed unanimously.

Mr. F. L. Usher then moved the closing of the debate and Mr. Thos. Denham seconded.

Passed.

The Budget for 1919-20 with modifications made was put to the vote and *passed* unanimously.

IV. That the appended schemes of endowments accepted by the Council be approved. *Vide Ordinance 4 (e).*

In moving the proposition Mr. Thos. Denham said that the endowments to the University since its start amounted to over a lakh and a quarter of rupees, and that it was a good sign that funds from private persons should be forthcoming in such a liberal manner for the advancement of education without any special appeal by the University. He also emphasised the necessity for founding chairs for particular subjects and added that this could only be done with very liberal endowments, and that it was a question of time. He moved the Senate to accept the endowments with thanks.

Mr. E. G. McAlpine seconded.

Passed unanimously.

V. "That Graduates proceeding to the M.A. Degree shall be required to attend the M.A. courses; but it shall be open to the Council to grant exemption from such attendance in exceptional cases." (Resolution of the Faculty of Arts, dated 29th November 1917; a similar proposition by Sri K. D. Rukminiamma deferred from the Senate Meeting of October, 1918 has since been withdrawn.)

Mr. Thos. Denham moved the proposition and said that a rule in respect of the M.A. Degree Examination in English had been passed by the Senate and Government and that a rule was necessary for other subjects. He observed that the rule passed in the case of the M.A. Examination in English allowed the employees of the Education Department to appear in private without any attendance and that thereby the Fellows were deceiving themselves by making the examination virtually a private one, as the majority of the candidates would be teachers. Mr. Denham also drew the attention of the Senate to the fact that, if private candidates were admitted, two standards of examination would have to be fixed, as it was not to be expected that private candidates would be as efficient as those under instruction. He suggested that there might be a diploma for private candidates, or an Hons. M.A. Degree for students who had undergone instruction. He proposed that a rule like the one indicated in the proposition be passed for all the subjects including English.

Mr. J. C. Rollo seconded the proposition.

Mr. M. C. Rangaiengar referred to Section 5 (b) of the Regulation and said that it was not open to the Senate to consider whether private candidates should be admitted to the examination as the provision contained in Section 5 (b) of the Regulation vitiates the grant of any such concession. He therefore considered that it was inconsistent to pass any resolution in the matter.

Mr. C. R. Reddy agreeing with Mr. F. R. Sell said that there were many teachers in the State who could not afford to undergo any course of instruction in the University and that it was necessary that they should be exempted from compulsory attendance. He also suggested that the matter might be referred back to the Faculty or the Boards of Studies.

Mr. H. J. Bhabha proposed an amendment that the words "in exceptional cases" occurring in the proposition be omitted and that the words "in the case of teachers employed in Government and Aided Schools" be inserted.

Mr. E. G. McAlpine was of opinion that the M.A. Degree carried a cultural value with it and that it was of no use to reduce the standard.

Sir Leslie C. Miller supported Mr. C. R. Reddy who proposed that the question involved in the above proposition as well as in Mr. Denham's alternative proposition noted below be remitted to the respective Boards of Studies and thence to the Faculties.

Mr. Thos. Denham's alternative proposition:—

"That Graduates proceeding to the M.A. Degree shall be required to attend the M.A. courses for two academical years, attendance thereafter being optional. Exemption may be given by the University Council in exceptional cases and will be given in the case of all employees of the Education Department."

The mover in accepting the proposal said he was in entire sympathy with the aspirations of the teachers, but wanted the difficulty of the standard to be met. The proposal to remit the question to the Faculties and Boards was then *passed* unanimously.

VI. (1) That Commerce shall be one of the optional subjects offered at the Entrance Examination, and include—

(i) Economic Geography of India (ii) Book-keeping.

(2) That the following be added in Ordinance 57, after III (b)—

(c) Mathematics, Chemistry and Commerce.

(d) Commerce, Recent Economic History of England, and Logic or History.

Mr. K. T. Shah moved the proposition and said that Entrance men come to the College with a knowledge either of History or of Science and that it would be difficult to make a selection for the Commerce course. It was therefore necessary that Commerce should be introduced as an optional subject for the Entrance course also as had been done for the S. S. L. C. course.

Mr. N. S. Subba Rao seconded. Mr. F. L. Usher enquired why Chemistry was necessary along with Commerce. Mr. C. R. Reddy explained that it would be no disqualification if a Commerce man possessed knowledge of Chemistry as well.

The Rev. Mr. Fuller considered that it was sufficient if item 2 (c) was retained and that 2 (d) might be omitted with advantage.

Mr. B. Venkatanaranappa thought that the University would be adding too many Special Subjects and that the question was not only one of specialisation, but also of provision of teachers.

The first part of the proposition was then put to the vote. 17 were for and 12 against. *Passed.*

Votes were then taken on the second part. 17 voted in favour and 14 against.

Passed.

VII. In Rules of Business of the Senate—

In Rule No. 1, substitute for the word "twelve," the word "fifteen."

In Rule No. 2, substitute for the word "four," the word "seven."

In Rule No. 3, substitute for the word "two," the word "five."

In Rule No. 3 (a), substitute for the words "15th February" and "15th September" the words "1st January" and "1st August" respectively.

The first three items were moved by Mr. B. Venkatanaranappa and seconded by Mr. H. J. Bhabha.

Passed unanimously.

Item (4) was withdrawn.

VIII. That the following be substituted for Rule 3 (a) under Rules of Business of the Senate—

"Any member who wishes to propose a resolution at an ordinary meeting of the Senate shall forward the terms of the resolution to the Registrar so as to reach him not later than one calendar month before the date of such meeting."

Moved by Mr. F. L. Usher and seconded by Mr. C. R. Reddy.

Passed unanimously.

IX. (i) That pure Mathematics be introduced as a subject for the Arts Group for the B.A. Examination.

(ii) That in Ordinance 57, III (b) the following changes be made—

Substitute "Logic, History or Mathematics and Sanskrit or Persian or Elementary Economics" for the original.

(i) Moved by Mr. M. T. Naraniengar, and seconded by Mr. N. S. Subba Rao. The mover said that the subject was referred to the Board of Studies which was unanimously of opinion that the subject might be introduced as suggested.

Mr. C. R. Reddy opposed the motion on the ground that it would lead to duplication of work and suggested that the matter might be deferred. The Rev. Mr. Fuller associated himself with Mr. Reddy.

Both Mr. J. C. Rollo and Mr. E. G. Mc Alpine considered that Mathematics was necessary for Economics and supported the motion.

The Vice-Chancellor regretted the absence of Mr. J. S. Chakravarti who mooted the question at the Council and explained the reason for the course proposed.

Votes were then taken. 18 were for and 8 against the proposition.

Passed.

(ii) Mr. M. T. Naraniengar moved and explained that it was a consequential change in the existing Ordinance. Mr. N. S. Subba Rao seconded.

Mr. C. R. Reddy opposed and said that such frequent changes in the Entrance would lead to complications and chaos.

Votes were taken on the proposition. 15 were for and 6 against.

Passed.

X. That the following be added as a second proviso under the ordinance relating to the publication of B. Sc. results approved at the last Senate and sanctioned by Government—

“Provided that the candidates shall also obtain 35 per cent in English to pass, the rank and classification being settled by marks in Science subjects only.”

Moved by Mr. F. R. Sell and seconded by Mr. E. G. Mc Alpine.

Passed unanimously.

XI. The following changes be made in the Scheme of Examinations, approved by the Senate at the last meeting—

(a) *B.A. and B.Sc. Degree.*

Transfer the subjects allotted for the 15th day to the 18th day.

(b) *B.Sc. Main Subjects.*

(i) Substitute the following for the subjects allotted for the 20th day—

10 A.M.—2 P.M. ... Physics, Practical.

10 A.M.—4 P.M. ... Chemistry do

10 A.M.—1 P.M. ... Mathematics E.

2 P.M.—5 P.M. ... Do F.

10 A.M.—4 P.M. ... Geology, Practical I.

(ii) Enter the following as subjects for the 21st day—

10 A.M.—2 P.M. ... Physics, Practical.

10 A.M.—4 P.M. ... Chemistry do

10 A.M.—1 P.M. ... Geology, Practical II.

Note.—The practical papers in Chemistry will carry each twice as many marks as the written papers. The practical paper in Geology of six hours duration will carry 200 marks.

(a) and (b) moved by Mr. E. P. Metcalfe and seconded by Mr. F. L. Usher.

Passed unanimously.

(c) *Intermediate Examination in Engineering, 1919.*

Under the head “Drawing Group” substitute the following for the original—

No.	Name of Subject	No. of papers	Hours	Written paper (Theory)	Practical and oral	Practical work done during the course	Total	Minima for passing
15	Freehand and Geometrical drawing.	1	2½	75	...	50
16	Machine Drawing.	1	1½	75	...	40
17	Building Drawing	1	4	75	...	60

Moved by Mr. K. R. Seshachar and seconded by Mr. S. Cadambi.

Passed unanimously.

XII. (a) That Kannada be introduced as an Optional Subject for the University Entrance and B. A. Examinations and that the following courses be adopted both for Kannada as Second Language and as Optional for the Entrance and B. A. Examinations—

I. *Entrance Examination.*

A. Second Language—2 papers.

(1) Text-books in Modern Kannada Poetry and Prose.

(2) Composition.

B. Optional—2 papers.

(1) Text-books in Medieval and Modern Kannada Poetry, Prose and Drama.

(2) Composition and Translation.

II. *B. A. Final Examination.*

A. Second Language—2 papers.

(1) Text-books from the three periods, including Poetry, Prose and Drama, with a knowledge of the outlines of the History of Kannada Literature.

(2) Composition and Translation.

N.B.—It is necessary that the present syllabus should be slightly modified with a view to differentiate it from the optional course which necessarily has to be of a higher standard.

B. Optional Course—4 papers.

- (1) Text-books from the three periods, including Poetry, Prose and Drama—2 papers.
- (2) Outlines of old Kannada Grammar and of the History of Kannada Language and Literature—1 paper.
- (3) Composition and Translation—1 paper.

Moved by Mr. B. M. Srikanthia and seconded by Mr. M. C. Rangiangar.

Mr. Karpur Shrinivasrav asked whether it was intended to take Kannada as optional and also as Second Language. Mr. H. J. Bhabha opposed on the ground that it would reduce the cultural value of the B.A. Examination and opined that Kannada ought not to be placed on a par with Sanskrit or Persian.

The Rev. Mr. Fuller said that there were already quite a sufficient number of optionals for the Entrance and that it was undesirable to add more. He enquired in what group would Kannada be found a place for Entrance.

Sir Leslie C. Miller thought that there was no urgency for the course proposed and that the immediate need should be definitely made out.

Mr. E. G. Mc Alpine moved that the question be referred back to the Kannada Board for fuller details as to whether a restriction should be placed that Kannada could not also be taken as Second Language and in what group it should be included in the Entrance. Mr. C. B. Reddy seconded.

All except one voted in favour.

Passed.

XIII. That the following course of study for the M.A. Degree Examination in Kannada as drawn up by the Board of Study be approved—

A. First Language Kannada—5 papers—

- (1) Text-books from the three periods including Poetry, Prose and Drama ... 2 papers.
- (2) History of Language and Literature ... 1 paper.
- (3) Grammar, Prosody and Rhetoric ... 1 paper.
- (4) Composition and Translation ... 1 paper.

B. Sanskrit—1 paper.

One Drama of the classical period and portions of one or more Kavyas.

C. Tamil or Telugu—2 papers—

- (1) Text-books and Grammar.
- (2) Composition and Translation.

That for the courses of studies in Sanskrit, Tamil or Telugu for the M.A. Degree Examination in Kannada as given above, the following be substituted:—

B. Sanskrit—

- (a) Detailed study of books—both in prose and verse—prescribed from time to time and
- (b) Elements of Sanskrit Grammar as in Macdonell's Sanskrit Grammar for Beginners or Kale's Smaller Grammar.

There may be only one paper of 3 hours at the Final Examination which will include questions on prescribed books and Grammar.

C. Tamil or Telugu—

(a) Tamil—

- (1) The study of selections representative of the several periods of Tamil Literature.
- (2) Outlines of the History of Tamil Literature.
- (3) Elements of Grammar and Rhetoric.
- (4) Composition and Translation.

(b) Telugu—

- (1) Text-books including Grammar, Prosody, Rhetoric and History of Literature ... 2 papers.
- (2) Composition and Translation ... 1 paper.

Moved by Mr. B. M. Srikanthia and seconded by Mr. M. Hiriyanna.

Mr. C. B. Reddy proposed that the whole matter be referred back to the Boards of studies concerned. Mr. M. Basava Iya seconded.

Mr. Karpur Shrinivasrav moved an amendment seconded by Mr. B. Venkatanarappa that it be referred to a composite Board of Studies in Sanskrit and Dravidian Languages

Mr. Basava Iya suggested that the Persian Board also should be represented on the composite Board; but the question was however allowed to drop.

Mr. C. R. Reddy accepted Mr. Shrinivasrao's amendment which was then put to the vote and carried by a majority of 15 to 2.

XIV. That for the words "the following periods will be taken in rotation" (appearing on page 114 of the University Calendar) under "C. A. Special Period, M. A. Degree Examination in English" substitute the following:—

"One of the following periods to be fixed by the University Council."

Moved by Mr. F. R. Sell and seconded by Mr. B. M. Srikantia.

Mr. E. G. Mc Alpine suggested that the proposal be referred to the Board of Studies and Mr. J. C. Rollo seconded.

Mr. F. R. Sell accepted the proposal which was carried unanimously.

XV. Dewan Bahadur Mr. C. Srikantesvara Aiyar's Proposition—

That with a view to encouraging brilliant graduates to undertake the pursuit of original work and with a view to fitting them to take up the work of University Professors, when required, two travelling scholarships be instituted for the study of such subjects as—

- (1) Architecture, with special reference to India;
- (2) Commerce, with special reference to India.

The scholarships may be each worth Rs. 3,000 per annum and tenable for one year.

After some discussion the proposition was withdrawn.

XVI. That the Christmas holidays be extended by one week and that, if necessary, the first or the second term be extended by as many days as the number of days by which the Christmas holidays are extended.

In moving the proposition Mr. A. R. Wadia said that the extension of Christmas holidays was necessary from the point of view of the students and also of the educational value of the conferences and congresses which the Professors of the University would visit during the Christmas holidays if they were sufficiently long.

Mr. K. T. Shah seconded. Mr. J. C. Rollo opposed the reduction of the Summer holidays, and Mr. E. P. Metcalfe insisted that the Summer holidays should not be curtailed on any account.

Mr. H. J. Bhabha suggested an amendment that the words "and that, if necessary" are extended "be omitted, and that "15 days" be inserted instead of "one week."

Mr. M. C. Rangiar opposed the motion and said that the teaching staff had limited hours of work, and a long vacation and enough of holidays. He considered that no change in the present practice was needed. Dr. H. B. Mylvaganam agreed with Mr. Rangiar.

The proposition was put to the vote and lost, 12 voting for and 17 against.

XVII. That Ordinance 73 (Calendar) be amended as follows—

(i) Substitute the following for the note (under the Ordinance) printed on page 210:— "The University Boards of Examiners shall at the time of the Degree Examinations call for records of classwork of the candidates during the second and third years and for class examination marks during the same period. Equal credit shall be given at the Degree Examinations for classwork and for the results of the class examinations during the course and the maximum allotted to these together shall be, in the case of B.Sc. candidates one-fifth; and in the case of B.A. candidates one-sixth of the total maximum allotted for each subject."

Moved by Mr. F. L. Usher and seconded by Mr. E. P. Metcalfe.

Mr. J. C. Rollo moved an amendment that the words "the rule be applied to Science subjects only" be added. Mr. A. R. Wadia seconded. The amendment was accepted by Mr. Usher.

The proposition as amended was put to the vote and it was resolved unanimously that the rule be applied to Science subjects and that no arithmetical value be attached to the classwork of candidates in Arts subjects.

(ii) That the following be added as a note to Ordinance 73 (Calendar)—

"This Ordinance, in so far as it relates to the B. A. Examination, shall first take effect at the Degree Examinations of 1921."

Moved by Mr. F. L. Usher and seconded by Mr. E. P. Metcalfe.

Passed unanimously.

XVIII. (a) That the following be added to Ordinance 15—

"Provided that the Faculties of Arts and Science constituted in December 1916 shall continue till the end of June 1919."

(b) That the following be added to Ordinance 20—

"The Council shall have power to extend the term of office of the members of the several Boards constituted in 1918 till the end of June 1921."

In moving the propositions, Mr. Thos. Denham explained that it would be convenient to have the various Bodies begin work from the beginning of the academical year. Mr. N. S. Subba Rao seconded.

Passed unanimously.

XIX. 1. That the M.Sc. course be one of not less than two years after passing the B.Sc. Degree examination.

2. That a candidate for the M.Sc. Degree shall offer the subject taken as his main subject in the B.Sc. Degree examination.

3. That the first year of the M.Sc. course shall be mainly occupied by attendance at an advanced course of lectures in the subject offered, and that a Collège examination in this work shall be held at the end of that year.

4. That a candidate who, as the result of this examination is, in the opinion of the Professor, fit to continue the course may, at the end of the second or any subsequent year of the course, present a thesis embodying the results of original work carried out by him. On the merits of this thesis, he may be awarded the Degree of M.Sc.

5. That the thesis shall be examined by at least two referees, one of whom shall be the Professor in charge of the department in which the original work was carried out, and one a recognised authority on the subject of the thesis not on the teaching staff of the University. The degree shall be awarded on the unanimous recommendation of the referees.

6. That Science graduates of any Indian University may be admitted to the M.Sc. course, by the University Council on the recommendation of the Professor in charge of the department concerned.

(Resolution of the Science Faculty, dated 4th March 1919.)

Mr. E. P. Metcalf moved the proposition and said that the proposed courses were intended to apply to the present B.Sc. men and that it was necessary to start the courses from July 1919. Mr. F. L. Usher seconded.

Passed unanimously.

The meeting was then adjourned to 8-30 a. m. the next day.

H. V. NANJUNDAYYA,

Vice-Chancellor & Chairman.
